## Our Best Wishes for a Peaceful, Healthy Holiday Season!

### The President's Message. . .

2009 has been a remarkable year for AzMN. We have reached out to over 2,000 people through our cancer awareness and myeloma programs, presentations, Awards, and participation in Health Fairs, Cancer meetings, and events such as our annual golf tournament and our Race for Hope for all Cancers. And, through the wondrous World of the 'web', [our conferences and programs are free and accessible to all.](#)

Most important, we have made many new friends, added new resources, and expanded our awareness and advocacy network to better serve myeloma patients, families, and other cancer patients throughout Arizona.

Our [Race](#) and [Golf Tournament](#) were a great success and will help us with the basic funding to continue our free myeloma education programs even in these difficult economic times.

We all are facing many challenges now and in the years ahead. AzMN will work hard to maintain and build our resources to fulfill our Mission: Awareness, Education and Advocacy for myeloma patients and the underserved cancer patients who so often are forgotten in difficult times.

For those who have donated, volunteered and participated in our programs over the past year, our warm 'thanks' and we hope that you will continue to support us in whatever way you can in 2010.

Best Wishes for the Holidays and if you would like to include AzMN in your Holiday Giving, go to our [donation link](#). Donations are tax deductible.

Thank you all!

...Barbara Kavanagh

### AzMN/UA 5<sup>th</sup> Annual Golf Tournament Is a Winner!

AzMN's 5th Annual Golf Tournament, sponsored by the United Association of Plumbers and Pipefitters was a huge success, with over 148 golfers from all over the U.S., representing the UA and it's many friends, associates, affiliates and also a number of local golfers and sponsors, such as the Black Bear Diners, and other 'loyal' friends and businesses who have been participating in AzMN events over the past four years.

### 3<sup>rd</sup> AzMN/Ft. Defiance Cancer Conference

We are now planning our 3<sup>rd</sup> Ft. Defiance Cancer Awareness and Advocacy Conference for the Navajo Nation on June 5<sup>th</sup>, 2010, and will be seeking support for this valuable program as well.

And this year, we have implemented the Ft. Defiance Diné Women to Women breast cancer education and training program for Navajo women to reach out to others and increase prevention and screening on the Reservation. This program is sponsored in part by the Susan G. Komen Foundation and the Arizona Comprehensive Cancer Control Program.
