Agenda Items	Discussion	Follow-up Items
Breast and Cervical Cancer Data	<p>Data was presented by Jessica Han and Jolene Rasmussen related to the burden of colorectal cancer and breast cancer in Arizona. Data was presented from BRFSS, Cancer Registry, HEDIS data, CDC, and ACS resources.</p> <p>Data was presented to show current status related to 2010 objectives and Cancer Plan goals. This data was used for the sub-committees to break out to discuss the need to revise goals based on data information.</p>	
Break-Out Sessions	<p>The committee has decided to break into to sub-committees to address colorectal cancer initiatives and breast cancer initiatives. Groups were asked to do the following:</p> <ul style="list-style-type: none"> <li>- Review and update logic models</li> <li>- Review and update priority areas</li> <li>- Review current strategies/progress, determine if current effort support updated priority areas</li> <li>- Brainstorm ideas to address priority areas</li> <li>- Write out strategies</li> </ul>	
Colorectal Cancer Sub-Committee	<p>In addition to the above objectives, the group was asked to determine if committee members could help with the Save Our Parents program scheduled for March 4<sup>th</sup> at Arizona State University and March 5<sup>th</sup> for the University of Arizona. Several individuals agreed to participate in the events.</p> <p>The committee was also reviewed the Undy 5000 run/walk event that the committee will be working with Colorectal Cancer Alliance on November 15<sup>th</sup>, 2008 to promote colon cancer awareness. The committee will be involved in helping to identify local sponsors as national sponsors are being identified.</p> <p>The committee was able to work through additions to the logic model and brainstorm ideas.</p>	Jennifer to compile logic model information for next meeting.
Breast Cancer Sub-Committee	<p>In addition to the above objectives, the group was asked to identify individuals interested in participating in the Women's Expo at University of Phoenix Stadium on April 19<sup>th</sup> and April 20<sup>th</sup>.</p> <p>The committee discussed goals and data sources and is working to revise goals and data sources for measurement based on current performance, gaps, and data</p>	Jennifer to compile the logic model information for next
