Raise your voice!

The Arizona Department of Health Services, Division of Behavioral Health Services wants to hear from you—members with SMI who receive services. Some of the topics we want your opinion on are:

- Ways the behavioral health system meets your needs;
- The services you want or need;
- Issues or concerns you would like to share about the behavioral health system.

The ADHS/DBHS System Transformation team invites you to attend a Focus Group at one of the locations listed below. Peer and family members are welcome!!

Recovery Journey House
