

## Public-Private Partnership Opportunity

### 4.2.4 Office space in the Mahoney Building

The Mahoney Building is one of the hospital's oldest administrative buildings that at one time housed superintendents of hospital on site in a location in the center of the ASH campus. This building is in would need renovations; however, it has close to 7,900 square feet of space that has the potential to be an excellent office and/or outpatient treatment area.

### Highlights/Benefits

- The building is on the Historic Preservation List and is a State Hospital iconic building
- Building can be remodeled to suit patient care or office space needs
- Located on the Arizona State Hospital Grounds with historic appeal
