Workshop Purpose Statement:

Trauma Programs are required to have an effective Performance Improvement (PI) plan in place to assist in the delivery of trauma care and injury prevention activities. In accordance with the 2015 Arizona Trauma Plan Priorities, the 2015 Trauma Managers' Workgroup series will focus on building proficiency in trauma program PI, trauma program operations, and injury prevention strategies.

Continuing education credits will be offered upon workshop completion by the Northern Arizona Area Health Education Center.

* See attached map and look for signage at MVMC. Workshop will be held in Classrooms 1-4 on the second floor. Park near and enter building through the 'Outpatient Entrance'.

Webinar option is available for those unable to attend the workshop in person. Registration is required:
