***\* Dr. Valentine Nfonsam, is a nationally known expert in minimally invasive procedures for all diseases of the colon and rectum with particular expertise and emphasis in minimally invasive procedures and in robotic assisted rectal cancer resection. He is currently an Assistant Professor of Surgery, Colon and Rectal Surgery, in the Division of Surgical Oncology at the University of Arizona College of Medicine and University Physicians Healthcare also a team member of the Arizona Cancer Center. Ms. Janelle Hill a stage 2 Colon Cancer survivor and member of the Arizona Colon Cancer Alliance will monitor the discussion for the Colon Cancer Alliance. If you take care of your colon you are taking care of your body. A clean colon is a "happy colon"***

THE SHOW COVERS A VARIETY OF CANCERS INCLUDING PROSTATE CANCER, BREAST CANCER AND COLON CANCER. A MAJOR COMPONENT OF THE SHOW WILL BE DISCUSSIONS BY HEALTH CARE PROFESSIONALS ON CANCER. HEALTHY LIVING FOR BOTH SEXES IS KEY.
