NEW FRONTIERS IN GLOBAL HEALTH LEADERSHIP

Building Strong Health Systems to Respond to Non-Communicable Diseases

INAUGURAL FORUM

Register Online NOW! http://ghi.arizona.edu/reg_elp

**Join public health leaders working globally and locally to mitigate the non-communicable diseases pandemic!
TAKE ACTION NOW following the Sept 2011 United Nations NCD Summit!**

Partners: The Global Health Institute at Mel & Enid Zuckerman College of Public Health University of Arizona, Tohono O'odham Dept of Health & Human Resources, the US-México Border Health Commission and the Arizona Public Health Training Center

Where: Tohono O'odham Nation and The University of Arizona Health Sciences Center, Tucson

Our cultural attractions are world renowned: Tucson Convention & Visitors Bureau <http://www.visittucson.org/>

When: March 28 – April 1, 2012

What: This 5-day Forum features presentations by global experts and global and local case studies of working models in NCDs prevention and health systems strengthening, including; quality assurance, health work force development, integration and health information systems & referral. Delegates will apply the local and global best practices & evidence during facilitated small group discussions. Site visits show-casing NCD prevention & care models will take place each day. Transportation will be provided. A professional training toolkit with all instructional content will be disseminated following the Forum.

Who: Public health policy makers, program managers, community health clinic coordinators, health systems managers, work force development specialists, community health workers & leaders

Speakers: Richard H. Carmona, M.D., M.P.H., FACS, 17th Surgeon General of the United States and Distinguished Professor, University of Arizona, Richard Smith, Director, UnitedHealth Group & former editor British Medical Journal, Gene Bukhman, MD, PhD Harvard Medical School, Director, Program in Global Non-Communicable Disease and Social Change & Partners In Health, Catalina Denman Champion, PhD, former President, *El Colegio de Sonora*, James Hopkins, LL.M./ITP, UA College of Law, Neeraj Kak, PhD, URC - University Research Co., LLC, Susan Kunz, MPH Mariposa Community Health Center, Martha Moore-Monroy, MA Pima County REACH, Gail Emrick, MPH, SEAHEC and leaders from PAHO, USAID, experts in border, bi-cultural & indigenous health in Sonora, Mexico and Tohono O'odham Nation.

Special Attractions: Located 70 miles from the U.S.-Mexico border, surrounded by Native American lands, and hosting the largest proportion of Peace Corps graduates; Tucson, The University of Arizona & Tohono O'odham Nation provide an appropriate site for the study of global & local, as well as understanding the role of culture and community in integrated prevention and health systems. Delegates will be welcomed at the Tohono O'odham Nation Cultural Center & Museum at the foot of the sacred Baboquivari Peak near the U.S.-Mexico border.
