Arizona Administrative Code R9-6-203 Reporting Requirements for an Administrator of a School, Child Care Establishment, or Shelter

For each individual with a disease, infestation, or symptoms of a communicable disease listed in the reporting table, or an outbreak of the communicable disease or infestation, an administrator of a school, child care establishment, or shelter shall submit a report that includes:

- 1. The **name** and **address** of the school, child care establishment, or shelter;
- 2. The **number of individuals** with the disease, infestation, or symptoms;
- 3. The **date and time** that the disease or infestation was detected or that the symptoms began;
- 4. The **number of rooms, grades, or classes** affected and the **name** of each;
- 5. The following information about **each individual** with the disease, infestation, or symptoms:
 - a. **Name**;
 - b. **Date of birth or age**;
 - If the individual is a child, name and contact information for the individual's parent or guardian;
 - d. Residential address and telephone number; and
 - e. Whether the individual is a **staff member**, **a student**, **a child in care**, **or a resident**;
- The number of individuals attending or residing at the school, child care establishment, or shelter; and
- 7. The **name**, **address**, **telephone** number, and, if available, **email address** of the individual making the report.

Report to your local health agency or through MEDSIS (https://my.health.azdhs.gov/).
