PHASED APPROACH

Based on up-to-date data and readiness, mitigates risk of resurgence, protects the most vulnerable, implementable on statewide or county-by-county basis at governor’s discretion.
GUIDELINES FOR ALL PHASES: INDIVIDUALS

CONTINUE TO PRACTICE GOOD HYGIENE
✓ Wash your hands with soap and water or use hand sanitizer, especially after touching frequently used items or surfaces.
✓ Avoid touching your face.
✓ Sneeze or cough into a tissue, or the inside of your elbow.
✓ Disinfect frequently used items and surfaces as much as possible.
✓ Strongly consider using face coverings while in public, and particularly when using mass transit.

PEOPLE WHO FEEL SICK SHOULD STAY HOME
✓ Do not go to work or school.
✓ Contact and follow the advice of your medical provider.
WHERE WE ARE TODAY
COVID-19 CASES BY DAY

- First Case of COVID-19: 1/26/2020
- Public Health Emergency Declaration Issued: 3/11/2020
- Dine-In at Restaurants Closed: 3/19/2020
- Schools Closed: 3/15/2020
- Stay Home, Stay Healthy, Stay Connected Order: 3/31/2020

Illnesses in the last 4-7 days may not be reported yet.

WHAT’S BEST FOR ARIZONA
ELECTIVE SURGERIES

Last week, hospitals have asked for authorization to resume elective surgeries.

Today, I’m issuing an Executive Order, authorizing hospitals and outpatient surgical centers who can demonstrate adequate capacity, to resume elective surgeries beginning May 1st.
RAMPING UP TESTING IN ARIZONA

**DIAGNOSTIC TESTING**

This testing will detect if you’re positive at the time of the test.

**To Date**
56,601 Tests Administered

**Moving Forward**
Plans to expand testing to broader populations, beyond just first responders and our most vulnerable.

**ANTIBODY TESTING**

This testing can determine if someone has been exposed to the virus, had COVID-19 and recovered.

**University of Arizona**
Partnered with University of Arizona to administer testing for 250,000 Arizonans.
SONORA QUEST COVID TESTING

We’re announcing a partnership with Sonora Quest to launch COVID-19 antibody testing.

1,000-3,000 tests per day at launch with plans to ramp up

MAY 1, 2020

Stay Home, Stay Healthy, Stay Connected
This executive order expires on April 30, 2020, unless extended.

The Options
1. Let It Expire
2. Extend it, in it’s current form
3. Modify it, with changes and improvements that reflect the situation on the ground.
