## Prioritization Phase By Arizona County

Arizona COVID-19 vaccine is allocated through local and tribal health jurisdictions. Due to the current limited initial supply of vaccine, Arizona counties will be utilizing a [vaccine prioritization phased approach](#). The map below shows which phase each county is currently vaccinating. Please note that in order to be vaccinated, **you will need to be a member of the current phase**, schedule an appointment, and provide appropriate identification once you arrive at the vaccination site.

### Vaccination Phase by County

- **Phase 1A** - Healthcare Workers & Healthcare Support Occupations, Emergency Medical Services Workers, Long-term Care Facility Staff & Residents
- **Prioritized Phase 1B** - Education & Childcare Workers, Protective Services Occupations, Adults 65 and older, Remaining 1A
- **Phase 1B** - Essential Services/Critical Industry Workers, Adults with High-Risk Conditions in Congregate Settings, Remaining 1A & Prioritized 1B
- **Phase 1C** - Adults of Any Age with High-Risk Medical Conditions, Adults Living in Congregate Settings, Remaining 1A & 1B
- **Phase 2** - Additional High-Risk/Critical Populations, General Public, Remaining Phase 1 Populations
- **Phase 3** - General Public, Remaining Phase 1 & 2 Populations

Pattern indicates counties vaccinating 65 and older; check [azhealth.gov/findvaccine](https://azhealth.gov/findvaccine) for information about eligible populations at specific vaccine sites
